“ My Dad's journey is over his story has been written. His journey wasn't always easy but he always kept the faith. That is our example and our heritage.

We will miss you greatly Dad but know someday we will be together again.

I found a quote that he had printed out it says "Love the people God gave you because He will need them back one day."

Well said Dad. Rest in peace.

Love T.

“ So sorry to hear of John's passing. One of my first memories of John is from driving out to Foster back in the 50s with my Mother and Father so that my Father could help John work on the house. I was awed just thinking that someone could build their own house. Since then I have always looked up to John. He was a really good man.

Our sympathy to all the family.
