“ Thoughts and prayers are with you and your Family at this difficult time. Pete was a very hard worker and friendly guy to be around. We all had lots of fun at Breezy back in the days especially after playing ball and having a few drinks with all the team. So many memories with my late husband Karl and Pete at Formerly Breezy Hill Cafe. Cheryl Ignacio

“ My heart goes out to your family. During my occasional visits to Helen's, I had the pleasure and privilege of meeting, speaking, and playing some pool with Pete. He is especially remembered by me as a consistently good-natured, genuine human being.

“ Our deepest condolences go out to Audrey and family. From the first time we met Pete at Helen's about 15 years ago, we knew he was going to be our friend and he certainly was. We will always remember that jolly “hehe” laugh. We played hundreds of games of pool together. We would also recite episodes of "Men from Maine" to each other. If one of us was sitting in “Pete's Chair” when he came in, he would tell us to stay but we would always give it up to him. Rest in Peace, Pete. You will be in our prayers always. Sandy & Lou

“ I first met Pete when I went to work for Tony at the Breezy. I knew from day one that he was the salt of the earth and a wonderful human being. Life took me south in 1995 but whenever I'd come back to visit a stop at Helen's meant a visit with Peter and some good laughs! I saw Pete last in 2019 and I told him I'll see ya soon! That's one reunion I'll always miss not making! God Bless you old friend, you were an original!

“ Pete and I always had great conversations at Helen's. He was so friendly, always happy, and that laugh.... It's been hard to look at that empty chair. I am going to miss this great man. I, unfortunately, will not be able to attend his services due to illness which really upsets me. My condolences to Audrey & family.

“ My friend, It seems like yesterday that you and Bob kept saying goodbye everytime they wheeled me into an ambulance, it was 17 years ago that cancer took a huge bite into me.  
I am saddened that this disease took your life my friend. Your battle is over and the pain is gone.  
You will live on forever in the hearts of family and friends.  
RIP till we meet again

“ Pete was the light of Helen's Place. It just hasn't been the same with his chair empty these last few weeks. His corner of the bar will always be "Pete's Stool". May he rest in peace and make all the angels laugh.

“ Definitely Helen's will never ever be the same without Pete on his saved corner stool with a pitcher of his favorite beer or playing pool (and winning). I'll always remember his infectious laugh. Yes Daniel (Boone) had the other corner stool. They were a great pair! My greatest sympathy, Audrey. Take care.

“ It was really tough to be there Wednesday to celebrate his life at Helen's knowing he would never be back in that seat. We did it for him. RIP Pete! We will be missing you for ever!

“ Peter, a man I shall never forget. The memories, your infectious laugh, your unforgettable smile. I am so glad we were able to speak to each other one last time a few short weeks ago and grateful to have been able to hear you laugh one last time. You took all of this sadness like the man I knew you were. I am proud to have called you my friend. To Audrey and the family, Paula and I wish our deepest condolences. Peter was a great man and a good friend. See you on the other side Pete.

“ Pete was my dad's good friend but turned into my friend and protector at the old Double L in Scituate. We would talk and laugh for hours. I was grateful for those times with him.
