“ *To Al's wife and family: I was very sorry to hear of Al's passing. I knew him from decades back at the Attleboro YMCA. He was a great guy and was liked by everyone. You have my deepest sympathy. Gary Goulet*

“ *Nella, our thoughts and prayers go out to you and your family. So many great memories of the two of you. The time I came to the house and he brought me down to his workout area and I was embarrassed to see that he was in far better shape than I. You both always made me feel loved. Uncle Al and his great laugh will surely be missed.*

*Uncle Al,
Thank you for your service!*

I still remember the time he came to our house to tell us all about you. He was so happy and glad you ended up together. He will be deeply missed.
