“ *GiGi, she will be missed so very much. My Mom(Beverly Robertson) was one of her best friends and they spent so much time together. She was like my second Mom. We traveled together and shopped and always went out to eat. We loved to tell stories and laugh as much as we could. I would go visit her and always bring my BooBoo boy Friskey. She did love her animals. I was very lucky to have been a part of her life. My Husband, Uncle Bill and my cousin Joan Cimini always liked to visit her and hear all the stories and fun times we had as a group of great friends.*
