*I just learned of Alices's passing and I want to extend my deepest sympathy to Richie and all the family. Both Tom and I have some wonderful memories of Alice. When Tom and Richie were playing in the band all the "girls" would get together and dance and drink the night away!!! Richie and Alice were among the very few who made the trip to New Hampshire when we lived there. I can clearly recall a New Years Eve celebratrion there, when we all stayed up until after 2:00 a.m. and Alice was ecstatic to see a family of deer frolicking in the snow in our backyard!! Then there were the many dinners and laughs in RI when we moved back. Alice's kindness and smile will always be remembered. We may have lost touch during the last several years but I will never forget you! Rest in peace my friend!*
