She was the loving mother of David Dorsey (Kerri) and Steven Dorsey (Michelle) both of Warwick. Her grandchildren: Adam, Justin, and Samantha will always have their special memories of "Grandma Time", which included camping, dance parties, and yard sales. She is survived by her sister, Marcia Pella, of Connecticut and her brother, Charles Silverman (Joyce), of Texas, along with her four nieces: Natasha Sheer, Sonja Stewart, Jennifer Ffrench, and Tracee Conder.

A private funeral service was held at the Rhode Island Veterans Memorial Cemetery. In lieu of flowers, memorial contributions to the Hope Health Hospice and Palliative Care of Providence will be appreciated. Condolences may be left at winfieldandsons.com.

“ So sorry to learn of Ann's passing. She and I both worked at Cranston Print Works for many years. Ann built positive relationships with colleagues throughout the company. What stood out to me was her ability to engage with the diverse group of employees she supervised and to earn their respect and friendship. We stayed in touch after Cranston. Ann was part of the “CPW girls” who meet several times a year for dinner. Ann was always fun to have along, upbeat, telling great stories and keeping us up to date on her retirement pursuits, her animals, and her family. It was evident how much she loved Brad, her children and grandchildren, and how proud she was of all of you. Lynn Watterson

Ann's dry sense of humor and artist's perspective are just two things I'll always remember about her. I'll miss seeing her at various art exhibits and opening receptions.

We are so very sorry and want you to know you are in our thoughts and prayers during this difficult time.
