“ Anna was loved by all the residents at Scandinavian Communities where she cared for John McCabe. She was always smiling and lending a hand to all the residents. I became her friend there, and stayed friends even after John passing. We chatted on the phone often. She was wonderful person, and a good friend

I will miss her dearly, but she will always have a special place in my heart.

Thank you Anna for being a part of my life

*God Bless,
Fern Farley*
