“ *Ann was the best person! She was always there to help one in need. I never met a more family person than Ann; her family was her world. My mother, sisters, and I were very fortunate to have Ann include us in her circle. As weak as she was while in the hospital, she NEVER failed to ask me how my family was and for me to send her regards to them. Ann was a second mom to me and I will miss our telephone conversations as well as visits whenever I was in Rhode Island. One more thing...she always fed me and then wanted me to eat more! Rest in Peace 'mom.'*

Ann was a best friend of my mother's at Shalom. Her kindness and love for everyone made her a very special person. She will always be my role model. She had a heart of gold and I am so fortunate to have had her in my life. Rest in peace my special friend!
