“ I'm reading this five years after Tony has passed, and I am saddened. Tony and his uncle John Lapati worked with my dad, Joe Fidler, at National Welders/Liquid Air/Air Liquide in Seekonk for many years back in the 80's and 90's. Tony and John were great men. Tony worked as an usher at McCoy Stadium and the Civic Center. I have him to thank for the great seats at the Fleetwood Mac concert in 1990. We also made a trip up to Fenway on the most hot and humid day in 1991 to see the Sox play the Twins. I kept in touch with him on Facebook, but only noticed recently he wasn't there anymore. A Google search brought up this obituary. So very sorry to hear and my deepest sympathy to the family. I'll always remember Tony.

“ Oh , my sweet cousin . We loved you so very much . You held me up when I nearly fell . You believed in me when others didn't . What's blessing to have you in our lives. I'll never forget our trip to Salem , driving around the rotary a few times because I didn't tell me where to turn... and we laughed with Anthony and Brendan ! You and your family stories about my dad and mom will be missed always . Love cousin Des

“ *My mom told me a story of when Tony and I were toddlers. I guess our moms baked a bunch of pies and put them on the porch to cool. Well Tony and I found the pies and proceeded to put our hands in each and every pie! RIP my partner in crime.*

My dear cousin its time to say goodbye and that hurts me to my core. We shared many adventures together. I always counted on you to bounce things off you to see what you thought and now I am on my own and that makes me sad. God must have needed a good man. So, he called on you...We had joy we had fun we had seasons in the sun but the wine and the song like the seasons are all gone. I love you eternally... Always and forever....Love cousin Johnny L

Sue and family. Just found out about this today. Been trying to call Tony's cell phone for months. This explains it. I liked him very much. He was really a nice guy. Sorry for your loss. You old neighbor from Woodland Rd. Rich
