“ *My grandfather has been a huge inspiration for me. I enjoyed the life lessons he provided me, and I enjoyed all the trips we took to go bird hunting. It is hard to handle his passing, however, but his memory will live on in all of us.*

“ *Bunny...I'm so sorry to learn of Tony's passing. I will always remember him tooling up and down Franlin Rd on his moped. I still have parts on my pool filter that he installed. If it wasnt for him, I think I would've filled it in a long time ago :)*

*My best to you and the family. He will be missed*
