“Auntie Arlene “ has been a dear friend to me and my entire family for almost fifty years. Arlene had a fantastic sense of humor and a wonderful way of putting people at ease. She was a woman who gave one hundred percent in whatever she did. She was kind, compassionate and understanding. She was an excellent employee and was in her quiet way a force to be reckoned with. Her energy was boundless! She was a charismatic character who had so many wonderful traits. Her faith and love for her family was most important to her. She had a kind heart filled with love and compassion. Her greatest treasure was her son John! Arlene positively impacted so many lives and we are all the better for having had known her. Johnny you were blessed with having her for a mother. She loved you so much. Please remember we are here for you if you need us.

“ We will deeply miss our friend Arlene! We have known Arlene for 47 years. We meet Arlene, during the Blizzard of 78! We soon realized what a devoted mom and wife she was.
We had the privilege of watching Johnny grow up from a child to a grown man. Arlene was a kind and gentle person. After my dad passed Arlene on her Friday day off would come and sit with my mom and visit her. My mother loved Arlene dearly. After I retired and mom passed she continued to come on Fridays to visit whenever she could. Those visits were filled with laughter and some times tears as Arlene's path was not always easy. We will sadly miss our dear friend Arlene . It was a shock to hear of her passing . We hoped she would retire and enjoy the rest of her days sharing good times we us and of course Her son Johnny.
May the Angels come to great you and welcome you to Paradise.
Love you and will remember you always Deb B
