

Brian D. Fitzpatrick

April 18, 2021

Brian D. Fitzpatrick, 50, passed away peacefully on April 18, 2021 at the Hope Hospice & Palliative Care Center following a long illness. Born in Providence, he was a son of Robert Fitzpatrick and the late Elaine (Carignan) Fitzpatrick. Brian lived in Providence with his life companion Marjorie Britto. Before his illness he worked for many years as an Automotive Technician. Besides his father, he leaves his brothers Robert Fitzpatrick of Harrisburg, PA and David Fitzpatrick of Ellijay, GA. He also leaves many aunts, uncles, cousins, nieces and nephews. Brian enjoyed spending time with friends and family, he was the life of the party and always made everyone smile. He had many good qualities; he was kind, generous, caring and loving. He was always there if you needed him. The family would like to thank the staff at Rhode Island Hospital for taking such great care of him and the team at Hope Hospice for being by his side through his final journey in life. Calling hours are respectfully omitted and burial will be private. A celebration of Brian's life will be held sometime this summer. Donations in Brian's memory may be made to a charity of your choice.
