“ Jennifer & Jessica & family, I am so sorry on the passing of your Mom and beloved Nana. As first cousins, we had "lost touch" over the years but reconnected about five years ago and kept in touch after that. In our "younger" years, we were close as I was right after her in the long line of Bailey cousins!! For a time, we all lived in such close proximity in the same neighborhood in Providence. So many memories!! I also remember her bringing you "girls" to my Dad's (Uncle Joe) home in North Providence when you were really little. My favorite memory of recent times would be the calls I would get from people looking for a dog groomer. Apparently she has a friend named Karen that does dog grooming but she would give my cell # instead. Once I realized what was happening, the callers and I would have a good laugh because I don't even own a dog never mind know how to groom dogs!! I'm sorry I missed her memorial service last evening and would have been there had I known. Sincerely and sadly, Karen (Bailey) Bellucci
