“ *She was one magnificent woman and mother-in-law. The memories I have will never fade. Now, she is once again united with her daughter Karen (my beloved wife) who died 30 years earlier and her beloved husband Frank. What an honor it is for me to have had her, Frank and Karen in my life.*

“ It is always sad to read about a long time friend passing. I was Karen's friend and went to Europe with the family, now so long ago. We played cards every week (scat) at the Lomastro compound also with Johnny and Jane and many friends. Later on I would be involved in the Bingo in Johnston where Christine played for quite awhile. Lots of laughs and memories I will cherish. Jane John and Frank lots of love to you all from an ole friend and yes I am old now too.
