“ I only had the pleasure of meeting Chris once at Andrew and Stephanie's baby shower but we talked slow pitch softball for about an hour and I could tell he was such a warm loving guy! Andrew always spoke so highly of him and loved him so much! I am very sorry for your loss! May he rest in peace! Fitz

“ Chris was the life of the party but you could always count on him to help you out if you needed it. I'll never forget the time Tay and a bunch of us went out one night and needed a ride home. Tay called Chris in the middle of the night and he didn't hesitate to come help us out. We all piled into his car and he brought us to get food and let us hang out at his apartment for a while. He always made sure everyone was okay and had a smile on their face. He was so funny, he always had jokes to tell. I appreciate the time I got to spend with him and I'm so sorry for the family's loss. A good friend and great brother gone too soon but never forgotten. I can only hope he's in a peaceful place now, rest easy
