“ I worked with Claire in the blood bank at Roger Williams Hospital back in the 1970's. We were just a small little group who not only worked together as a team but also shared in each others' lives. It was a unique experience. I will always remember Claire as a voice of reason. I'm glad I had the opportunity to get to know and work with her along with her son, Buzz. I send my heartfelt sympathy and condolences to her family.
