“ *My sincere condolences to all of David's family. I've had many memories with him on our martial arts journeys. Teaching Tae Kwon Do at URI, Roger Williams College and PC. I remember going to multiple tournaments around New England during the 70's and 80's. He was quite a personality and of good character. He will always be remembered... Sorry for your loss. “ Sending my heartfelt condolences to the whole family but especially to my brother Justin, Sister-in-law Rachael, nieces Riley, Gwen and Violet. They (the girls) loved their Pa very much and always talked about how much fun they had together. I know that loss is something that grows over time and even though everyone who loved David will miss him forever I hope that the funny memories will turn the tears into laughs. Love you guys Jillian

“ My Uncle David loved his family very much. I am grateful for many deep conversations and lots of laughs. He always struck me as equally sensitive and tough, a man with joy/spirit in his heart and unmatched Irish resiliency. Justin (and ladies), Mom (and Michael, John, and Ellen), and all - warmest condolences from Mike and Gianni

“ My brother-in-law David will be sorely missed at our lively O'Rourke family events. His Irish wit (full of blarney) and irreverence for authority figurs were very endearing...to me. Condolences to the O'Rourke Clan with fun poolside memories of Crestwood Drive.

“ *My deepest sympathy to the O'Rourke family. He used to call me every holiday and on Mother's day. He also etched a glass photo of the Good Samaritan and when he gave it to me said he thought of me when he saw that picture and had to etch it for me. I treasure that beautiful etching with such pride and humility to feel that someone thought of me as a good Samaritan! I have missed his calls. RIP my friend and admirer*
