“ *My heartfelt sympathies go out to all of Debbie's family. We were close friends growing up and shared many escapades together - one of my favorites was our bus trip to the New York World's Fair with her sister, Gayle and Russell. Or the night we danced in the garage below the apartment we lived in in Clayville and wore winter gloves so we didn't have to touch clammy hands - that is a long story for another time. We did have fun! However, as we got older we got boyfriends and sort of drifted away and I will always be sorry for that. Debbie is someone I will remember always as a wonderful friend. Much love to all the family, Cheryl Hawes 🙏🙏🙏❤️❤️❤️*
