

Denise Marie Shippee

April 17, 2026

Denise Marie Souza Shippee, 69, died at Kent Regency on April 17, 2026.

She was born in Providence, RI on January 14, 1957 to Alfred Souza and Marie Laprad Souza. In 1975, Denise married Harold Francis Shippee. As a dedicated stay-at-home mom, she made her home a haven of love, warmth, and laughter. She was the heart and glue of the family, dedicating her life to raising her children and supporting her spouse, Harold.

Denise loved and enjoyed her family, her friends and helping others. Survivors are her five children, Harold F. Shippee, Jr., Thomas P. Shippee and wife Julie, Carla King and husband Vincent, Anthony Shippee, Amanda Shippee and her 8 grandchildren , all who she loved dearly.

Funeral Services are respectfully private.

“ She was the most strongest women, she was able to take care of five kids alone while my father worked and she made it look effortless. I am so happy that I was apart of her. She is the reason why I love cooking so much she would always have my sister and I in the kitchen with her showing us what she knew. Even though you are fine I know you will be looking down upon us shinning your beautiful light.

“ My mom was the best mom ever she adopted me and made my life special I will never forget what a kindhearted and heart of gold my mom had. She is with my dad, her dad and mom my uncle and my aunts all having a party up there. Mom I love you till we meet again. It will not be the same without you, you were the glue that held us all together. I love you so much and miss you so much.
