“ Uncle Eddy when I was young you shared all your music knowledge with your 45's. You introduced me to George Carlin the album you would listen to . Lol great memories at the lake house with water skiing, swimming just being all together as a family on Sunday's. You would come visit the boys in the back yard , you would play with them for hours . The happiest I ever saw you is being with Auntie Donna. I was your wedding . Your heart was broken when she passed away. I'm happy your not in anymore pain . Your with Auntie Donna , gramma , grampa and Tommy . We will miss you but I'll always keep your memories close. Love you uncle Eddy. Xo

“ My big brother was a very special person. He wouldn't hurt a fly, gentle and caring. He treasured the love of his life, Donna. Her loss left a hole in his heart. They are now reunited. He loved his nieces grandnieces and nephews. I got him in so much trouble as kids, like his odd haircut after being tied to a standing lamp. Love you Ed, I'm glad we were able to spend so many years together. Thank you to the nurses and CNAs at West View Nursing Home for taking such good care of Ed, he loved you all. Love you my brother.
