*We are so saddened to hear of your dad's passing. Gene was one of our favorite people. A special memory comes to mind of a christmas when he gave all of my mother in law's gifts to my mom because I did not specify which mom was receiving what. Before we knew mom opened all the gifts and we had to rewrap and tell her they were not all hers. We still enjoy this story and share it with others.. Your dad was so good at bringing laughter to all. Please be comforted in the difficult days ahead and know he will always be by your side.*

*Much Love*
