

## Florence Elizabeth Lotz

February 15, 2026

Florence Elizabeth Lotz, 60, of Providence, Rhode Island, passed away on February 15, 2026. She was the beloved daughter of the late Paul Lotz and Patricia Nesbit.

Born on February 14, 1966, Florence was a true Valentine's baby — full of love and warmth. She was the most bubbly, fun-loving person, radiating joy and kindness to all who knew her. Her laughter was contagious, her spirit unforgettable, and her presence made everything feel brighter.

Florence is survived by her three remarkable children, Kenneth Lotz, Derrick Lotz, and Tiffany Streeper, who were the center of her universe, as well as her four precious grandchildren, Gianna Smith, Kenneth Smith, Derrick Lotz Jr., and Olivia Lotz, who ignited her heart. She is also survived by two sisters, three brothers, and many cherished nieces and nephews.

Florence was an extraordinary guardian, a compassionate human being, and a woman who embodied unconditional love, always valuing the well-being of others above her own. Holding the titles of “Mom” and “Nana” was her greatest honor. Nothing brought her more fulfillment than sharing moments with her family, surrounded by laughter and love.

Florence's vibrant personality, kind heart, warm aura, sense of humor, and

beautiful energy will live on in all who knew her. She will be deeply missed, forever loved, and never forgotten. Though she is gone from our sight, she will never be gone from our hearts.
