

Forster Frank Schofield

December 11, 2023

Forster Frank Schofield was born on October 22 1929 in Coventry Rhode Island to Isabel "Trayner" McShane and Frank Schofield. He was the loving husband of the late Sally E. Schofield. He was the brother of the late Alice "Lillian" Salisbury.

He leaves behind daughters Janis Schofield, Joyce Rose and Julie Calabro. Grandchildren Shanna Bananna and Corey Woodard. Great grandchildren Senior Airman Henry Forster Roma, Corey Woodard Jr. and Logan Dorazio. He was a proud veteran of the Korean War. He worked for the Woonsocket Call newspaper as a Production Manager. During his time at the Call he traveled to Germany where he spoke as a world authority on printing innovations. He retired at 55 and traveled with his wonderful wife Sally across the United States, Nova Scotia and to Alaska. His favorite travels were sailing the Caribbean with Sally and friends. They would sail for weeks, living off of what they could catch daily from the local waters. Frank was a shining example of selflessness, caring compassion and generosity. He loved to have a project, fixing or building things for himself and others, always excited to share his wealth of knowledge with anyone who wanted it. He was a rare gem of a human. He passed away comfortably at home surrounded by family and his girlfriend Rose Caine. When asked how he was doing he would always respond "better than most". He was better than most, also better than the best, a pure treasure to anyone who had the privilege to have known him.

A service is scheduled on January 20, 2024 at 11:00 a.m. at the Rhode Island Veterans Memorial Cemetery in Exeter Rhode Island.

“ *Bob and I send our deepest sympathy to all the family and friends of our cousin and friend, Frank. Our guest list at family celebrations were always headed off with Sally and Frank, Nat and John and Lois and Vernon. Guaranteed, they would be there! Always a pleasure to look forward to. Frank was a genuine person. The kind of person one liked as soon as you met him. Just know he'll be missed and remembered by so many. With love,
Bob and Pat Ferguson*

“ *Daddy,*

Thanks for sharing your kindness and love. Sharing your life's journeys and adventures were amazing to hear about and those people who were apart of your journey with Mom, family and friends.

Blessed with hearing so many stories from the most wonderful storyteller, my Daddy. My parents were the best parents a child could ask for. Always a loving home and welcoming to many people throughout the years. So many family and friends and friends who became family.

My condolences to you all too. We're all going to miss him. But we all have the memories to cherish.

Happy wonderful loving kind caring memories forever in our hearts souls.

*I love you Daddy,
your baby girl
Julie*

“ I knew Frank through the Pawtuxet Valley Old Timers Association. He was quite the gentlemen. He and I worked together in the year 2003 when he was president of our organization. We saw each other yearly on the last Saturday of September when we gathered for a luncheon and where we did our catching-up. Each year Frank and I would pick up where we left off the previous year as though it was yesterday. I so respected him and will miss him very much. Rest assured I will speak about him as I announce the passing of presidents this coming September. My condolences to all. With respect and affection, Bill Rogers.
