“ Frankie, I love you so much. We've lost you with us physically but spiritually, you will be with us forever. You have always been there for me in every way a brother can, and I am forever grateful. We've always had a bond stronger than many siblings, we're simply best friends. We will always be best friends. I am grateful for all of the love you have given Lesley and Jayce and all of us. You will be greeted every morning and wished a beautiful goodnight. Rest among the other angels, you have truly earned your beautiful wings.
