“ Rhonda, John and Michael. So many memories of Rhonda and I tagging along with you to beaches, clubs and just rides to nowhere. How happy we were when you showed up at our beachouse and made everything that much more fun. Your generosity is unmatched and your kindness will never be forgotten. Thank you for always helping me out when I needed a hand. Rhonda was lucky to have you as a big brother. You made her feel loved and she loved you to the moon and back. We will keep Michael close and whatever he needs I promise to be there for him. Duke misses you but please don't worry. He is in good hands. So glad you and Michael came over to the last get together I had. Thank you for the lucky dice, I will treasure them forever Gary. Missing you, Jackee

What a gentle soul. Always bringing me fresh fruit (and bird houses!) when he and Michael came to visit me on the Cape. God bless you all. With all my sympathy, Chris
