“ Pat, Thinking of you at this heartbreaking time. I worked with Gary for many years and recall several personal chats over the cubicles. He was such a kind and dignified man, coworker, Dad, and husband. Memories are the gifts our loved ones leave behind. May those memories bring you and your family comfort in the days ahead.

Pat, I am so incredibly sad to hear this news. My heart goes out to you and to your daughters Meghan and Kaitlyn. Gary was a pleasure to work with. I have missed his sense of humor and his matter of fact nature. I clearly remember the last day for you and Gary at FM Global, it was so nice that day to see Gary wearing his Hawaiian shirt, panama hat, shades, and a cool smile. This is how I am going to remember him.
