“*My sweet sister-in-law Jenny. You have been a part of the family for most of my life you were not only a dear friend you were a sister. I will always remember our trip to Hawaii, with you and me in the back of the convertible. Our family gatherings were always better because you were there. You always added spice to the party. When I talked with you last week I will never forget how you were looking forward to planting your garden. Dave and I have planted it in your honor. You will be missed dearly.
Rest easy my friend

“ Our sincerest condolences to Mike and family, and to Jenny's siblings, family and friends. We are very sorry for your loss. Jenny always had a smile on her face and was always kind and ready for a good laugh. We often ran into each other walking our dogs, and what an adventure that was, but she made it funny and always seemed to quiet the chaos with humor. We will miss seeing her and her bright smile. Rest in peace Jenny, we are happy to have known you.

Love,
