“ Carl, bob, Randy and Deb and all of your family’s. I’m so sorry for your loss. Your mom was a great and loyal friend to my Mom as well as myself. She and I would have long conversations about the days gone by. She love each and everyone of you and bragged as often as she could. Thank you for continuing to let me be a part of your family. She is with dad now and my mom and dad as well. With much love and sympathy , Maxine and Frank

“ Carl often shared stories of Gladys and growing up in Rode Island. I would reflect on my own mother and the home she made for her kids. Our condolences and my hope that you can celebrate her long life. Tom Haneman and Sue McDonald

“ My thoughts are with you, Deb, along with the girls, Tami, Andi and Dani as well as the rest of your family. Your mom certainly had a large, wonderful family surrounding her and as sad as it always is when the end finally comes, there is some comfort in knowing that she's reunited with your dad...
