Andrews, Grace L. 91, of Scituate, Passed away on May 17, 2017. She was married to the late Milton A. Andrews for 50 years. Grace was the daughter of Ruth A. (Lippitt) Pickles and Stanley H. Pickles, Sr. She is survived by her children Steven Andrews, Sharon Lupo, Robin Andrews, Randy Matheu, Tracy Andrews-Mellouise, and Terry Andrews. Grace was the grandmother to 9, and great grandmother to 8. Grace had been a long time resident of Warwick before moving to Scituate. She was a 1943 graduate of Cranston High School. Grace was a bright, quick-witted woman with a sense of humor known and appreciated by many, and nicknamed Lucy in reference to I Love Lucy. Many had been brought to tears after her retelling of her numerous hilarious escapades. After her six children were grown and out of the house, Grace no longer had a desire to cook meals at home. One of her favorite things to do was to go out for a good meal- anywhere, as often as she could. She especially reveled in the cold lobster on toast points at Twin Oaks. Grace and Milton enjoyed afternoon cocktails with cheese and crackers before dining. Grace had an eye for fashion, she prided herself on being impeccably dressed whether picnic or party Stanley H. Pickles, Sr. Always on the go, Grace loved to drive. She also taught many people how to drive including friends, neighbors, and family. She had a talent for bargain hunting and perused the shopping scene as if it were her profession. She was a coupon-er before couponing was in-style. Her style and humor will be sorely missed. Love you Ma!
