“ We are so sorry to hear of Jerry's passing. We used to bring my mom Frances to see her sister Fillis and Jerry every Christmas. After Fillis and mom passed we continued to visit Jerry at least once a year. We unfortunately just learned of his passing. We will miss dining with him at Dan's.

“ So many great memories of my oldest cousin. During the year he spent at my Mom's house he joined my family and friends for every gathering we had. In the last couple of years he would surprise me at my house in Canterbury driving his “toy” 🤪. I will miss those visits. Thanks to Georgia and Greg for the loving care you gave him. RIP cousin.

Georgia, Greg and family, I am so sorry to hear about your dad's passing. While I was only in his company a couple of times it was very apparent he loved his daughter, his car and having a good time. May the memories you have carry you through this time of mourning. My love and prayers are with you. 🙏❤️
