“ Jerry Yeaw was one of the founding members of the Little Rhody Poultry Fanciers. He held every office in the club and he and his wife , Doris, were always there with time , effort , and donations. He helped to foster an attitude in the club that made everyone feel important. For a small club, he and the Gees' were instrumental in Rhody producing 5 licensed poultry judges. As well as District Directors and national committee members that have served the APA and ABA. He willing mentored us all and many others. Always willing to share and encourage everyone.

His breeding accomplishments in White Leghorn large fowl and later in bantams is well known. He produced many Show Champions and always shared good birds at a reasonable price. Many folks will remember him fondly, but none more than me. He absolutely changed my life ! I was just a young guy with a few average chickens when I joined Little Rhody in the early 80s. He helped make exhibition chickens a huge part of my life and I could never thank him for all I have experienced.

He and Dot were more than friends, they became family. I am going to miss him very much.

I'm sure Jerry & Dot, Dick & Juanita, Ernie, Ed, Maurice, and many other poultry greats are having a great time being reunited again!

“ To all of Jerry's family I send my sincere condolences. Spent many hours with both Jerry and Dot working on Scituate Republican Club functions. They were always there when I needed help as President or holding a function. We always had so many laughs. Miss them both. Linda Gale Prior

“ I loved seeing Gerry and Dot in church each week. I remember with great fondness the day he taught me how to clean the chandeliers at church. He was a very sweet man and will be missed by so many. I am sure Dot was there to welcome him with open arms and a big kiss. Thinking of all who loved him, may your memories help ease your sadness.

I'm very sad over the passing of Jerry. I do believe he is in a great place right by Doris's side. They shared a love that not many people have experienced. I hope the family remembers how much they loved family. I remember for years how wonderful it was to see how they shared family dinner every Wednesday night. To his children I'd just like to remind them how Dot and Jerry only wanted them all to love each and be kind. Love to all the family Deb

Very sad to hear of Jerry's passing. He was a good friend and mentor in our world of exhibition poultry. I had the pleasure of judging with and showing under Jerry through out Canada and the USA on many occasions over the years. He remains one of the great ones and was always one of my favorites to judge with. My condolences to his family and poultry friends. Until we meet again my friend.
