

Jozsef Istvan Rimoczy

August 18, 2023

Jozsef Istvan Rimoczy (74) of Foster, Rhode Island passed away August 18, 2023. In a heartbreaking turn of events, he suffered a stroke and passed away suddenly surrounded by his wife and four children.

Jozsef was known as Joe or Jozsi, and Edes to his children. Joe was born in Budapest, Hungary and immigrated to the United States in 1970. After working in the kitchen at Cafe Budapest in Boston, MA, he joined his uncle's business in Providence, RI to manage Astro Plating. In 1971, Joe met his future wife, Sherry, and their enduring companionship led them to establish homes in Johnston and later Foster, where they would reside together for over 30 years.

Joe was a vibrant, gregarious, charming man. Naturally inclined to engage in discussions wherever he found himself, he effortlessly established connections and formed friendships. His zeal for food and drinks and gatherings with loved ones showcased his larger-than-life persona. An enthusiast of motorcycles and sports cars, he found immense joy in his BMW motorcycles and held a special place in his heart for his treasured silver '71 Mustang. Above all, his family stood as his greatest source of pride and love. He would often say that a simple call or visit from any of them had the power to brighten his entire day.

Joe is survived by his wife Sherry of 44 years and their four children and spouses: Sherry and Brian Hope (Alexandria, VA), Joe and Ana Rimoczy (Tifton, GA), John Paul and Steph Rimoczy (Brooklyn, CT) and Crystal and Chris Webb (Amesbury, MA). He was a beloved "Nagypapa" and leaves behind ten grandchildren: Virginia, Nate, Julia, Reese, Charlotte, Ema, Maks, Jozsi, Veronica, Calvin. He also leaves behind his sister Irma Rimoczy in Budapest, Hungary.

His absence will be deeply felt, yet his memory will endure eternally.

Calling hours will begin at 9:00 am at Winfield & Sons, 571 West Greenville Road (Route 116), Scituate, RI 02857 on Sunday, August 27. Service begins at 10:00 am.

“ I will never forget this incredible man that God has shared with us.. He had the roar of a lion and a heart to match. No one could deny his presence when he entered a room, and it was impossible not to smile. His bold and colorful presence overshadowed his deep and sensitive side, that I was had come to know of my friend. His love of family could only be begin to be measured in the stories that he told from the time he met Sherry, the love of his life, to the nearly unbelievable adventures with his children, to the proud nagypapa that he was to his 10 grandchildren. A most amazing man, with the memory of an elephant and resolve of a badger, his kindness and warmth will be the traits that I will always remember most. How blessed we all are to have had Jozsef Istvan Rimoczy in our lives.
