

Kenneth W. Hoskin

April 9, 2020

Hoskin, Kenneth W. (Hoppy)

64, of North Scituate passed away at home on April 9, 2020. He leaves behind his wife Susan (Deuso) Hoskin of 42 years. A daughter Sheila Boudreau [Providence School Department] and husband Timothy of Cranston. A son Kevin Hoskin [HJFD] of North Scituate. A beloved grandson Zachary Boudreau. He was preceded in death by his loving parents Donald and Beverly Hoskin. He also leaves behind two sisters, Gayle Lowell and husband William, Marsha Mott and husband Kenneth, and a brother Todd Hoskin and wife Barbara. One niece, five nephews, and his beloved four legged friend Mack.

Ken was a retired Providence Fire Fighter. After retiring, he went to work for the West Warwick Fire Department where he worked as a dispatcher until he passed. One of the first members of the R.I. Professional Fire Fighters Pipe and Drum Band, he was also involved with many charities and loved volunteering. He had a heart of gold and will be missed very much by his family and friends.

Due to the current State Health Department guidelines, a celebration of life service will be held at a later date.

Thank you for your love and support.

In lieu of flowers, donations can be made to the Hope Jackson Fire Department Scituate, Special Olympics, American Legion Post #2, or the Scituate Animal Rescue League.

Hoppy had many friends and a shirt to go along with them.

Hunny, If I had a single flower for every time I think about you, I could walk forever in my garden.

“ Hi Todd.....so sorry to hear about the loss of your brother. Tough time to not be able to get together and see you in person. Maybe sometime in the not too distant future we will be able to get together. Until then you and your family will be in our thoughts and prayers.

“ Dear Susan and family,
My condolences on the passing of your beloved husband, dad and so much more. Hoppy was truly a bright spot for so many. More than I even know of. I really only knew him from on the other side of the dispatch console in the next City away. Yet he always put a smile on my face with the "Good morning Metro Control, the Town of West Warwick is Oohh KKkkk. I used to say to my partner there's a man who loves his job. And he was an excellent Fire Dispatcher, and I'm sure a better Providence Firefighter. Prayers to you all during this very stressful time in your lives, and in our Country's time. rest in Peace Hoppy

Best,

“ Hoppy,
Your energy and straight forward attitude surprised me that you were called so early. I sense that they need someone to invigorate that parade up stairs. When I get there I hope I hear those pipes. I'll see you then. Take care Jim Hickey
