

Kristin Lee Niles

December 10, 2025

It is with great sorrow that the Niles family announces the passing of our baby sister Kristin Lee Niles, aged 55, who passed away unexpectedly on December 10, 2025 after a long illness. She was the daughter of the late Herbert and Lee Niles of Hopkins Mills, Foster, RI. Kristin was the youngest, and of course, the most spoiled child of the tribe. Kristin worked as a home health aide before she became ill. She suffered greatly from the effects of rheumatoid arthritis, and, given the constant pain that she endured, she always had a pretty positive outlook. She had a very dry sense of humor and was quick with a comeback, and, above all she made a mean grape nut pudding. Kristin is survived by her brothers Lloyd (Dawn), Paul (Susan) (with whom she lived), sisters Andrea Stetson (Ken), Sharon Kaye (Jim), Linda, Paula Sturtevant (Don), and numerous nieces and ^L_{SEP} nephews. The family would like to give a special thank you to Kristin's caregivers Wada and Dee whose care and friendship she valued greatly. May Kristin rest in peace sitting in the best seats in heaven and watching her favorite Red Sox! A private service will be held for the family. A Celebration of Life will be held in the summer of 2026.

“ My heart just absolutely goes out to Kristen & her family. I knew her while she shopped at the IGA with her Mom, who was also the nicest person you'd want to meet if you hadn't. This disease is so debilitating & has no boundaries. Kristen always had a smile on her beautiful face & a funny story of some sort. She's making someone laugh for sure!!! She will surely be missed here.
