

Lance Blicher

November 16, 2021

Lance Blicher ,42, of Woonsocket, RI passed away early Tuesday morning in his home.

Lance is the son of the late Patricia Blicher and Robert Beckett. Survived by five sisters, Naomi, Eliza, Delia and Tabitha and one brother, Frankie. Along with his son Damien Blicher, daughter Lacey Blicher and many beloved nieces, nephews, aunts and uncles.

Lance was a Security Guard at live music events for most of his working career, but he also worked as a line cook, hotel maintenance member and for his adopted father's staging company.

Lance loved scrabble, rock/metal music, sports; he was a huge Red Sox/Patriots/Bruins/Celtics fan, drawing and writing art, grubbin some good food and busting some balls!

Lance also left many many friends from childhood through the people he met last week. Some included, the mother of his two children Dawn Riendeau, who was always one of his biggest supporters even after separating years ago and his longest "first" friend Deadra.

He left many grieving within his metal family community including his long time

best friend Justin Marcotte, who was also always right there to support Lance in a positive lifestyle.

Lance was loved and is grieved by many.
