Laurie B. Ingraham, 72, of Riverside, passed away on August 30, 2024 in Coventry.

Laurie was born in Providence, RI on May 10, 1952. She grew up in Riverside, RI and went to East Providence High School. They had two children, Hillary and John "Marty" Ingraham. She worked at various jobs as a Quality Engineer, most recently at Aidance Scientific. She loved being a mother, grandma, and pet owner. She was very fond of her 2 cats, bearded dragon, and goldendoodle. She enjoyed spending time with her family that lived locally and would have dinner with her daughter and youngest grandson, Gunnar (3), a couple times a week. Laurie would spend a lot of time taking walks, reading to, craft making, and shopping with Gunnar. At least once a month they would go out to dinner or take a trip to the zoo or aquarium. Although she complained about the frequency of phone calls from her son in Seattle, she would miss him when they had not spoken in a few days. She loved word games and posted daily in a family chat of NY Times word games results. Laurie leaves behind her siblings Karl, Kathy, and Sandra, her son and daughter, and her two grandsons Paulie and Gunnar.

“ *I'm so very sorry for your family's loss, Hillary. You have a new angel watching over you and the boys. Losing Mom is a tough one, but you can still talk to her, she's always with you, just look up.* ”
