“ Dear Dana, Cindy and family.  
Lois was one of the first residents I came to know and love here at Scandinavian Communities. So many mealtimes we shared laughter, and stories of our lives. I am sure she will be joining her "table mates" Kay, and Terry and will be having a meal together in heaven.  
She is already missed, and I will miss the visits from Dana and Cindy. You have become part of our lives and family.  
My sympathy and love to you always,  
Fern Farley
