“ Tina & David: You both have my deepest sympathy on this great loss of your Mom. I have such wonderful memories of Loretta - me being a maid in her wedding and her being a maid in mine. We shared many times on the phone going over growing up on the "farm" picking beans in the sun and the time we slid down the cellar door on our backsides and received many splinters which Aunt Tina and my Mom had to extract. Many wonderful memories which I will always hold in my mind and heart. I will always miss my sister from a different mother! Rest in Peace Loretta.
