

## Lori Anne Tesseris

April 15, 2025

Lori Anne (Scotto) Tesseris, 49, passed away peacefully surrounded by her family at home on April 15, 2025.

Although born in Providence, she spent her life in the town of Chepachet, a place she loved to call home.

Lori was the cherished daughter of Louis and Rita (Babcock) Scotto.

Lori is survived by her high school sweetheart and devoted husband, David Tesseris of Chepachet, where they built a beautiful life together. She was a loving and dedicated mother to Taya and Harrison, who were the light of her life. Lori was also the cherished sister of Tammy (Scotto) Benson, Trish (Scotto) Horgan, Louis Scotto, and half-brother Vincent Allen. Her legacy of love lives on through the many nieces and nephews she adored.

She was a proud graduate of Ponaganset High School and Katherine Gibbs Technical School. She dedicated many years to her work as a legal secretary where her compassion and work ethic touched many lives. Away from her professional endeavors, Lori's spirit thrived through her artistic expressions exploring oil painting mediums, acrylics and crafting handmade jewelry.

Their home was another source of profound joy, where the creation of a hobby farm-complete with fruit trees, rabbits, chickens and the presence of her many cherished dogs provided a simple yet significant happiness over the years.

Lori's Life was a testament of strength and resilience. She faced her life's obstacles with unwavering grace and courage, never allowing it to define her. Her determination, optimism, and love for her family carried her through the hardest days, and she remained a source of inspiration to all that knew her.

She leaves behind a legacy of love, strength and unwavering kindness. She will be deeply missed by all that knew her.

Visitation will be held Thursday, April 24th from 4:00 – 7:00 p.m, followed by a Memorial Service at 7:00 p.m. in the Winfield & Sons Funeral Home and Crematory, 571 West Greenville Road, Scituate, RI. Burial will be respectfully private.

“ *Dear Dave, Taya & Harrison,  
I just learned that Lori passed away. Lori was truly remarkable, so talented, such strength and an amazing attitude in the face of all she confronted. She cared about her craft and was one of my best legal assistant; it was a pleasure practicing law with Lori, we were a great team. We kept in touch through the years. I am fortunate to have some of her beautiful paintings and drawings. A constant reminder of our friendship. Heartfelt sympathy to the family. I will always think about and remember Lori.*

“ I remember meeting you so many years ago when you and Dave were dating. Dave's grandmother (my dear Aunt Muriel) my mom, you and I went on a bus trip to Foxwoods. You were quiet but adorable, and I understood why Dave was so smitten with you. You were taken much too soon, but I am sure the fight was very hard all these years. To Dave, Taya, and Harrison - she will never leave you as long as she lives in your hearts. I know you are grieving, and your hearts are heavy. Take comfort knowing that she is free of pain and looking down on all of you. Love you all. Karen (Marciano) Morgado

“ I don't know life without you in it. I met you and your whole family 42 years ago and you quickly became like family to me. You have been someone I looked up to my entire life. You have always been a beautiful person inside and out, with your calm caring way of navigating through life. Whether you were showing your amazing artwork, giving us rides with Dusty the pony, riding unicycles in the basement and so much more, you had a smile and a grace that always made the world a better place to be in. I hope you felt all the Love that you have given. You will be greatly missed. I am so blessed to have had you in my life.

“ I could sit here for hour after hour and look through all of the pictures and videos I have from over the years but when I came across this one, it made me laugh. There are so many words to describe how I feel. Mostly I feel so grateful to have shared the 47 years of my life with my amazing sister. So much love for the amazing aunt that Lori was to my children. We had many memories such as the one in this video. I will look back on all of these and smile as I will every single day when I feel her presence with me. Lori wasn't only my sister but she was my best friend. I will cherish her forever more. Cherish the time that you have with everyone in your lives, it is so precious.

“ *Lori's last year on this earth was difficult. It is such a terrible thing to see your child struggle with illness and not be able to do anything to make her well and whole again. It is with so much sadness that we are here today to say farewell to our child, Lori. She was a lovely and vibrant daughter who has been taken away from us much too early. But the memory of Lori will live on in us forever. We were so proud of her and know that she is in peace. We thank God every day for the home care Dave, Taya and Harrison gave Lori above and beyond what any parent could pray and hope for their daughter. Mom and Dad 🙏💕*

I've admired Lori since I first met her at "The Scotto" home when I was in 4th grade. Trish's older sister, so beautiful, always with a book or paint brush in hand. Quiet, but her kindness and inner beauty always spoke so loudly to me. I remember the drawings of New Kids On The Block all over her bedroom...she captured images like she could capture hearts. She was naturally magnetic. My sincerest condolences to her whole family. My thankfulness for even getting to stand in her light for a moment is more than I can express. She was a bright light in life and she will be in death. Sending so much love.
