“ I met Mrs. Sprague when I was 8 years old. I was a friend of her daughter Merri' and we were in girl scouts together. They lived up the street from me and I have very fond memories of her. She was a good friend of my mother's and she was always so nice and pleasant. I remember her being a librarian at Johnston library and always checking out my books through the years. I spent many happy times hanging out with Merry and Steve as well. Mr and Mrs. Sprague were both great people and I am fortunate to have had the pleasure of knowing them. I will always remember Marcia with a smile on her face. She will be missed but never forgotten.
