“ *MEMORIES:: Aunt Peg was instrumental in helping me research the Gillis Geneology book I completed in 2004 with ancestors dating back to 1738 with our 9th generation grandfather Donald Gillis born in North Brinacony, Morar, Scotland. Donald died Abt. 1827 in Pisquid , Prince Edward Island, Canada. Aunt Peg was especially instrumental in helping me research where my grandfather (her father) Austin D. Gillis (commonly known as Gus) went when he came to the United States. She provided so much information that would have been lost had it not been for Aunt Peg. We loved that woman so...we shall miss her!. RIP*

“ We have lost a wonderfully warm and generous woman with Aunt Peg's passing. She was always a kind and welcoming person and we will miss our yearly get togethers for lunch out with Cousin Mary when we were back in New England for the summers. She is in a better place now reunited with the love of her like, Uncle Al. Our condolences to Nancy and her family....RIP Aunt Peg.
