“ *We will remember Dee for her beautiful smile and her impish laugh. She faced life head on with an open heart and open arms. She loved her family, friends and her pets with all she had. Dee showed us all how to laugh and be strong no matter the odds . She never backed down. We loved her dearly. Becky and Kevin Dalton*

“ My mother was a very caring person both in her career and her family. She worked as a nurse caring for other and as cook doing the same. She also supported me and my wife and loved to host family meals with us. Mary loved Donald and my Sister Sheri and her husband David very much and especially her grandchildren Ella and Mason. Animals were a big part of her life she would even care for one that were abandoned. My only hope is that God is now taking care of her as well as she did for us.
