“ *Dear Kris and your dad,*

I am very sad to hear about the loss of your mother. When my sister, Rose Wheelock told me, I was at a loss for words. You will always have wonderful memories of your mom during this difficult time. Your loved ones never leave you. She will always be in your heart and watching over you both.

My prayers and thoughts are with you.

My deepest condolences to you and your family.

“ To the Jaeger and Erler families,

Please accept my condolences for the loss of Mary Jean. I remember her from Clayville School and fondly recall her and my sister sharing their happy, infectious laughter on the playground there. Now they are both gone too soon.

May your loving memories of Mary Jean bring you comfort, and may she rest in God's peace.

“ Mary Jean was a Clayville School chum. Even though we didn't stay in touch throughout the years, I remember her infectious smile and the impish gleam in her eyes. Godspeed the angels to take you home dear Friend. You left an impression that won't soon be forgotten.
