June 25, 2025

Michael A. Smith passed away at the age of 76 on Wednesday, June 25th. He is survived by his wife of 37 years, Barbara, his two sons Alfredo and David, his daughter-in-law Ashleigh, and his brothers Pete and Jeff.

He was born and raised in Rhode Island and loved living in Bristol, proudly serving the community by being a member of the Board of Canvassers for many years.

He was particularly proud of his work at the Museum of Science in Boston; where he created the Camp In program where Girl Scouts would spend the night with the run of the museum.

Michael loved teaching science to kids and volunteered at many schools to promote the love of science. He was also active teaching science tricks at the Shrine Clown College.

Michael loved being a father and the boys always knew that his most important job was teaching them to be gentlemen. He was a loving and attentive husband, an

inveterate joke
teller and a serial entrepreneur.

In lieu of a funeral, and to honor Michael's wishes, the family will hold a
celebration of life party
at: The Warren German American Club, 27 Kelly St., Warren, RI 02885, July
