“ I met Nicole when she was 11, she was always such a light of life . Funny, spirited, beautiful, smart, warm, loving, always making sure everyone was OK. She is one of the most remarkable young woman I've ever known. The love she had for Lyla was the most profound and deeply known measure's of love I was fortunate to be a part of. Lyla now has her beautiful soul for her eternal angel. I loved Nicole just like she was my own, I'm honored to have been blessed with being a part of her life, she was truly an amazing shining star, rest in heaven's love beautiful girl.
