“ While there are certainly memories that pop out in my mind of my Uncle Pret, I think it is more important to mention that in every memory I have, my uncle is smiling. His manner was calm, peaceful, patient. From the time I was a little girl, he was special to me. I will never forget the way he said, “Helllll-ooo,” when he came into a room or the way my two daughters laughed at him as he played so lightheartedly with them from across my Memere’s dining room table on Sundays. I am so happy my daughters got to know him over the past 3 years. In his own way, he touched their lives, too, and THAT...is pretty amazing! We are all blessed to have had Uncle Pret in our lives as long as we did! Godspeed, Sweet Uncle...until we meet again.
