“ I was very saddened to hear the news about Chris. He always had a smile on his face, and a great attitude. There should be more people like him! May he rest in peace. Ralph Nonnenmacher

“ My Beloved Brother and Papa Christopher, I will always miss your frank and poised remarks. Brother Chris was always a poeple person and a family oriented man just like our Dad, Joseph Osagie.

On one occassion, our Dad asked him to come get me from school. He rode on our Dad's bike to get me. As a child I grew up with the fun memory of him picking me up from school that evening on a bicycle. As soon as I heard he was sick, I came over from Atlanta, GA.to visit with him in the hospital. Although he had become feeble, yet he was always talking about family and fun memories of the past. Brother, I miss, we all miss you. However, I'm hopeful that you're resting peacefully. Shalom!

When he finally just worked twin I said Chris I can finally give you a 10am on your Friday and he laughed and said I know and I love it! Always smiling always talking proudly about his family!
