“ *Dear Beverly and family
Tomorrow afternoon the bible study that Richard faithfully attended every week will meet as usual. But it definitely will not be the same without Richard. He is in our hearts and he will be with us in spirit. We are saddened by his leaving, but Heaven has jumped for joy at his arrival. They have welcomed him with open arms. He loved the Lord and now he can feel his loving embrace in person. He was always a vital part of our group. He was also my friend and I will miss him. We will all miss him. We are saddened by his passing but the joy of knowing where he is helps lessen the sadness. May the consolation of the risen Lord comfort you and your family during this most difficult time. Please accept our deepest sympathy.
