Robert M. Conley, of Warwick, RI.

It is with profound sadness that we announce the passing of Robert M. Conley also known as Bob, a beloved father and friend, who left us peacefully Tuesday December 12th, 2023, at the Morgan Nursing Home and Rehab in Johnston, RI. Robert was the son of the late James E. and Veronica (Hassell) Conley. He is survived by his son Robert. He was the brother of Dennis J. and the late James E. and Kevin J. Conley. His friends that were like family Tracie Bowen and her husband Charlie Bowen and their children Justin, Dalton, Hunter and Skyla.

Robert, born and raised in Providence, was a man of exceptional character and kindness. His life was a testament to his unwavering dedication to his family, his passion for his community, and his relentless pursuit of knowledge. He served in Vietnam as a Military Police Officer and spent his career as a respected professional in his field and a business owner, touching the lives of many with his wisdom and generosity.

A true family man at heart, Robert was a loving and devoted father. His guidance and love shaped the life of his child, leaving a legacy of strength, integrity, and compassion.

Robert's interests were diverse and reflected his curious and engaging nature.

An avid reader, he had an insatiable thirst for learning. He was into sports, card leagues music, festivals, and hanging out with his friends and family.

His contributions to the community were numerous and impactful. He was an active member of several local organizations, where he volunteered his time and expertise to make a difference in the lives of others.

Robert's passing leaves a void in the hearts of all who knew him. His memory, however, will live on through the love he shared, the wisdom he imparted, and the many lives he touched.

He is survived by his loving family, friends, and a community that will deeply miss his presence. As we say goodbye to Robert, we find comfort in our cherished memories and the knowledge that his spirit will forever be a guiding light in our lives.

“ Dear Conley Cousins,

My memories of 'Bobby' go back to the days of St. Michael's School...we were in the same class of '61. Because of our names, and our height, we were always seated in the same area of the classroom...according to nun-directed seating arrangements. Bobby was a lot of fun, and the bane of some of the Sisters. On more than one occasion a nun would put the name R. Conley on the blackboard, as a warning that R. Conley was to see the Sister after class. He'd go home, and his excuse for NOT staying 'after' school was that he thought that I was the R. Conley the sister wanted. LOL If we could have seen their hair, I'm sure he caused a lot of grays for the nuns...but he was a good kid, and brings back fun memories. His brother, Jimmy, worked for a time in my parent's Ice Cream Parlor on Thurbers Ave. I'll say a prayer for all of the Conley cousins.

I just recently became aware of Bob's passing. I served with Bob both stateside and in the same squad with the 199th Infantry in Vietnam. Though I only knew Bob for about 18 month's the obituary is the man I knew...Actually we were kids. Bob was even younger than me! About 'Bob and beers...He stated, with pride, that Rhode Island consumed the most beer per capita of any state. What got me here was a search of 170 Sumter street. For some reason that address stuck in my head all these years. Must have seen it on an envelope, but can't remember what I had for breakfast. I hope Bob's suffering was minimal. If I can be of any assistance regarding Bob's military service feel free to contact me.
