“ I met Gary at a meeting, and liked him immediately. He truly was a "good guy", and I miss his smiling face and his appreciation of the smallest courtesy. Sorry that I did not get to the service, but I was able pay my respects with all of the mourners at the grave side

*Marion,
Just learned about this today...So sorry to hear this. He was a good man, loved playing cards and talking to me about our relationships with women. Although he struggled with his disease, It's so good that you didn't divorce him, but stayed strong with your partner.
Heartfelt Sympathies.
